INTERIORS COMPONENTS - SINCE 2000

# CARRARO INTERIORS

## ABOUT US

We are pleased to introduce Carraro Interiors, Interiors products and services supply company, a premier source of high-end Italian and high-quality building materials and interiors-oriented services.

We specialize in providing exceptional products and services for luxurious residential and commercial projects across Italy, the UAE, East Africa and the broader Middle East.

At the heart of our company is our founder, the Arch Dario Carraro, an accomplished Italian architect with over 25 Years of experience in the luxury contract sector. His extensive background and passion for design drive our commitment to excellence and innovation.

The company has been active in the market since 2002 with the production and trading of custom fine furniture and components trading, for commercial and residential businesses.

Italian craftsmanship is renewed worldwide for its unparalleled quality, timeless design and exquisite attention to detail. From the finest marble quarries to the most skilled artisans, Italy sets the standard for luxury building materials, when you choose Italian, you're investing in a legacy of beauty and durability.

# BRAND PORTFOLIO

We are proud to distribute in Middle East and East Africa a portfolio of over 25 internationally recognized International Brands. Each brand is carefully selected for its exceptional quality, innovative design, commitment to excellence, and the highest level of performance certifications. Our product range includes everything from exquisite marble and ceramics to luxurious wood flooring, designer lighting, and premium hardware.

Our strategic presence in Italy, the United Arab Emirates, East Africa, allows us to provide exceptional service and support to our clients worldwide. We have more than 20 Years of experience in the market, delivering projects on time and within budget. We handle all aspects of logistics, ensuring a smooth and efficient process from start to finish.

We can store any volume of products for the "ready to fit" time in a dust-free, air-controlled temperature storage in our UAE facility without compromising the quality of the products.

To provide a seamless transformation and installation of our products, we have also implemented local manufacturing units in each area of intervention, enabling us to provide skilled and coordinated service to our customers. These units offer:

- Gypsum products, partitions, panels, decorative mould casting, on site installation
- Natural stones and ceramic and technical slabs – cut to size, pre-assembly, on site installation.
- Joinery services, cut to size, furniture assembly, on site installation
- Metal works, 3D printing and CNC prototyping
- Electric components on site installation and repair services.

## MAPEI

Waterproofing, Tiles Adhesives,  
Specialized Construction Chemicals

Mapei is among the world's leading manufacturer of chemical products for the building industry. Is offering long-lasting, high-quality products that span from tile adhesives, grouting, micro cement floors, wood floor and carpets adhesives, special render plasters, primers, protective agents and so on.

Worldwide references in the most iconic residential, commercial and infrastructural products speak about the company quality

## FILA Chemicals

Surface care  
technologies.

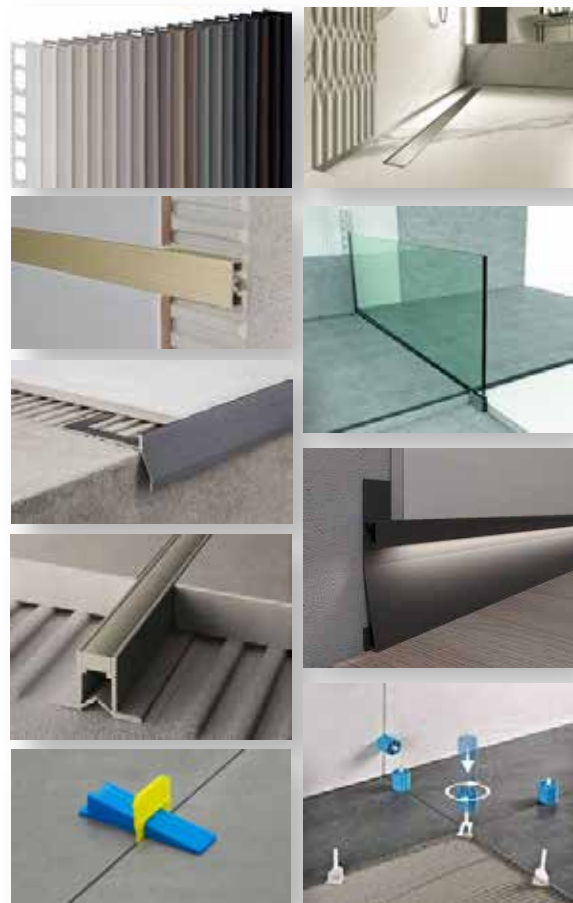

Fila Solutions is an Italian company specializing in the protection, cleaning, and maintenance of surfaces like natural stone, porcelain, and wood. With over 80 years of experience, it combines innovation and sustainability to deliver high-performance solutions worldwide.

## PROFILES AND TILING ACCESSORIES

Finishing trims and tiles spacers

We provide the essential components to complete any tiling and marble project with precision and style. Our offerings include a wide variety of decorative trims that add a polished look and sturdy tile fitting profiles for clean edges and transitions in an array of finishes. Our full suite of professional-grade accessories—including spacers and tile levelers for perfect grout lines—and our modern linear and point drains are designed for a seamless aesthetic.

www.sistemirasoparete.it

## RASOPARETE

Invisible Doors and Access Panels.

Rasoparete is an Italian brand that creates minimalist, flush-to-wall systems like doors, access panels of any size, wardrobes, electric and plumbing invisible boxes. Size is custom made to your need. Its clean, seamless design blends functionally with contemporary aesthetics. For interior and exterior use, with plaster finishing or clad with glass, ceramic, marble

# ECLISSE

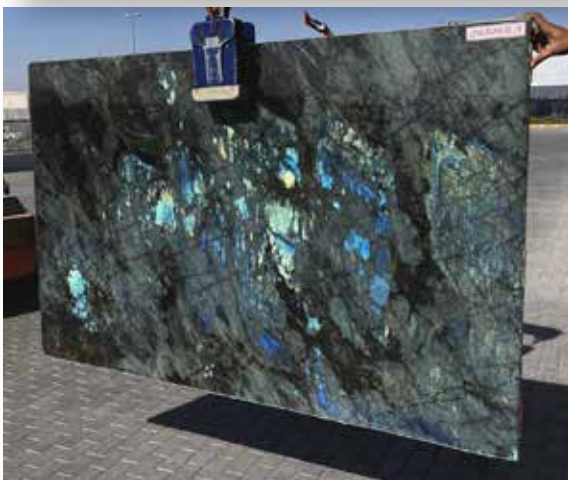

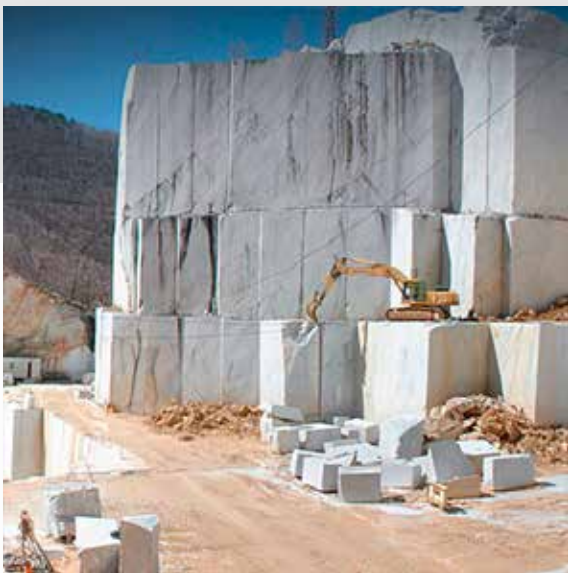

Pocket doors, Straight  
and Curved

ECLISSE is an Italian company specialized in the production of innovative sliding door systems and pocket door frames. Founded in 1989, ECLISSE is known for combining functionality and design, offering solutions that optimize space and enhance architectural aesthetics.

# NATURAL STONES SUPPLY, MARBLE, GRANITE, QUARTZITE, ONIX IN BLOCKS AND SLABS

For more than two decades, we've been the premier source for natural stone, offering an exquisite range of marble, granite, quartzite, and onyx. We are passionate about sourcing our high-quality stones directly from the world's finest quarries, with a special focus on the timeless craftsmanship of Italy. Whether you need raw blocks or finished slabs, we have the ideal solution for your project, from residential countertops to large-scale commercial installations. Our local stock features a wide selection of slabs, ready to be cut for your next design.

## MARAZZI

Ceramic tiles.

Marazzi is the ceramic tile industry's best-known brand. Present in more than 140 countries, it is universally recognised as synonymous with quality ceramic tiles, and symbolises the best of Italian style and manufacturing in the interior decoration and design sector.

## TUSCANIA

Ceramic tiles.

Tuscania S.p.A is an Italian Family-owned porcelain stoneware manufacturer with 30 years of expertise focusing to deliver affordable luxury products. Our mission is to deliver the latest design trends of durable porcelain coverings for floor, wall, outdoor for residential and commercial environments.

## GIGACER

Big format ceramic slabs/  
Counters.

Gigacer is an Italian manufacturer of big size technical unglazed porcelain stoneware slabs for architecture. Our production process foresees the preliminary production of one single format: big 120x120 cm or 120x250 cm porcelain stoneware slabs, that can be then cut, brushed and processed in various different sizes, preserving their technical characteristics. Thickness 6,12,24 mm on the same finishing

## LAMINAM

Big format ceramic slabs/  
Counters.

Laminam produces ceramic slabs which challenge the traditional uses of this material, creating large sized minimum thickness surfaces, which are used in exterior architecture, interior design and furnishings. This unique material can be used for furniture cladding with only 3.5 mm thickness also in slightly curved surfaces or for counter tops with thickness up to 20 mm and slab size up to 1400x3200 also in book match combination.

## ITALGRANITI

Ceramic tiles.

Italgraniti is renowned at an international level for the production of high performing porcelain stoneware used for the flooring of high-traffic internal and exterior surfaces, both in residential and public contexts.

## ABK

Ceramic tiles.

ABK produces large-format porcelain stoneware floors, coverings and slabs, inspired by the trends of the interior and graphic design world, for internal and external environments, in the heart of Emilia.

## FLAVIKER

Ceramic tiles.

Flaviker, a historic Italian ceramic tile brand set up in the Emilia region in the late 1960s, produces indoor and outdoor full-body porcelain tiles for architectural applications. Following its acquisition by ABK GROUP in 2007, it changed direction and focused in particular on design and technological innovation.

## TAGINA

Ceramic tiles.

TAGINA is an Italian company founded in 1973, a leader for 50 years in the high-end ceramic floor and wall sector. Our fine porcelain stoneware collections embrace the main categories of material inspirations such as marble, stone, wood, contemporary “cement effect” surfaces or stylish solutions with glitter and polishing, in full indoor outdoor stylistic continuity.

## REFIN

Ceramic tiles.

Ceramiche Refin is a brand of the Concorde Group, the leading ceramic group on the international scene. Founded in 1962, the company offers a vast choice of porcelain stoneware solutions, such as floors and walls for the home and contract sector.

## LEA CERAMICHE

Ceramic tiles.

Lea Ceramiche is the perfect synthesis of visionary design and technological performance. It is the partner of creativity for any architectonic project which seeks distinction and a unique and recognisable style.

## MIRAGE

Ceramic tiles.

For over 40 years, MIRAGE ceramiche has been producing floor and wall tiles in porcelain stoneware with cutting-edge production systems that guarantee exceptional hardness and unparalleled mechanical characteristics.

## CASALGRANDE PADANA

Ceramic tiles.

Casalgrande Padana has been producing advanced ceramic materials for over 60 years: innovative and environment-friendly solutions for the creation of coatings, floors and coatings capable of responding to any creative and technological requirement of the world of architecture and design. The company is also highly specialized in strong and technical materials for restaurant, food processing factories, workshop, garages, water tanks, and extremely demanding applications.

## SICIS

Glass decorative tiles and mosaic.

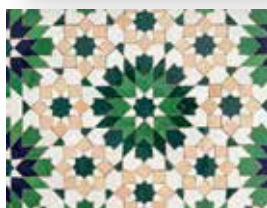

SICIS manufactures high-end contemporary mosaic for wall and floor coverings, furniture and interior decorations. SICIS started in 1987, quickly becoming a leader in its sector.

## AIT MANOS

Moroccan zellige hand made tiles.

AIT Manos is a Moroccan brand specializing in handcrafted ceramic and stone surfaces, blending traditional artistry with contemporary design for unique, high-end interiors.

## TREND

Glass decorative mosaic.

TREND Group was born by the hand of Pino Bisazza who, together with several qualified colleagues, created in the year 2000 an enterprise that blends the artistic Italian tradition with a respect for nature, and the most innovative technologies. Today, the company is the world's leading full-body glass mosaic, gold mosaic and Venetian enamel and agglomerates designer and producer.

## APPIANI

Swimming pool/Spa specialized mosaic.

Appiani from 1873. Ceramics with superior aesthetic appeal for architecture; the guarantee of no constraints to creativity and no limits to functionality. Individual pieces and flexible modules enabling designers to create combinations, designs and layouts with great decorative finesse and architectural value. The only mosaic in clinker approved for heavy duty use in public and medical environment, with certified rugosity for real anti slip properties.

# LED PROFILES AND LIGHTNING ACCESSORIES

## Lightning Components

We supply a wide range of interior/exterior, for furniture fitting led profiles, as for example, undercabinet lights, shelf and display light, wardrobe and close lights, recessed ceiling and wall profile light and coves, accent lighting, staircase step profiles, skirting boards, façade lighting and related drivers, sensors and RGB controllers. # DECORATIVE GYPSUM WORKS

Our expertise in decorative gypsum work is unmatched in the UAE. Since the early 2000s, we've set the standard for craftsmanship and quality, an achievement built upon our initial partnership with renowned Italian companies, Stucchi Italia and Sadi. Their century-long legacy in the art of gypsum provided the foundation for our own extensive experience. We have a proven track record of successfully executing even the most complex and intricate projects, from private villas to commercial malls and even Royal Palaces. Our portfolio of high-level references in the region speaks for itself. Our services cover every phase of the process, ensuring a seamless experience from start to finish. We handle everything from initial design and carving to casting, final installation, and decoration. We also offer a vast library of pre-designed moulds to meet any aesthetic or architectural need.

# CUT IN SIZE, ASSEMBLY AND INSTALLATION OF NATURAL AND ARTIFICIAL LABS

We provide specialized services for the precise cut-to-size, assembly, and installation of natural and artificial slabs. Our expert technicians are equipped to handle a wide range of materials, including marble, granite, quartz, and porcelain.

The service includes:

**Precision Cutting:** We use advanced equipment to accurately cut slabs to the exact dimensions required for your project.

- **On-Site Assembly:** Our team expertly joins and assembles multiple pieces with state of art bonding agents, ensuring seamless and professional results, for interior and exterior use.

- **Professional Installation:** We handle the final placement and secure installation, delivering a flawless finish for countertops, wall cladding, and other custom applications.

This service guarantees a perfect fit and a high-quality finish, ensuring your custom design visions are realized with precision and care.

# CUSTOM FURNITURE AND FURNITURE INSTALLATION

## Our Custom Furniture Service

We specialize in crafting bespoke furniture that elevates your home or office. Whether you're looking for a statement piece to anchor a room or a functional solution for a tricky space, our team works closely with you to design and build furniture that is truly yours.

- **Tailored to You:** We begin with a consultation to understand your style, preferences, and the specific requirements of your space. We consider every detail, from wood species and finishes to hardware and upholstery, ensuring the final product reflects your personal taste.
- **Expert Craftsmanship:** Our skilled artisans use high-quality materials and traditional techniques combined with modern technology to create durable, beautiful, and long-lasting furniture.
- **Versatile Creations:** We can design and build a wide range of pieces, including custom dining tables, built-in shelving, unique credenzas, bedroom sets, home office desks, and more.

We provide professional installation to ensure every piece is assembled and placed correctly and securely.

- **Precision and Care:** Our experienced team meticulously installs each piece, handling it with the utmost care to prevent damage. We ensure everything is level, secure, and fits perfectly within your space.
- **Efficient and Clean:** We work efficiently to minimize disruption to your home or business, and we always leave the area clean and tidy, so you can start enjoying your new furniture immediately.
- **Built-in & Complex Installations:** We are fully equipped to handle complex projects like built-in cabinetry, custom wall units, and intricate multi-piece furniture sets.

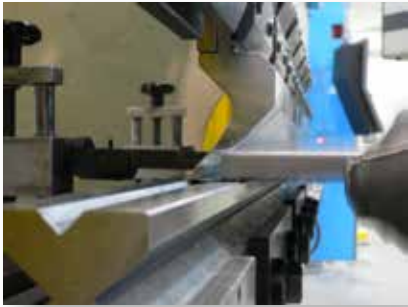

# SPECIAL CUSTOM METAL WORKS FOR LIGHTNING AND INTERIOR/EXTERIOR PURPOSES

With decades of experience, we provide unparalleled expertise in the custom design and manufacturing of specialized metalwork. Our solutions are crafted for both interior and exterior architectural use, as well as high-end shopfitting projects.

Our state-of-the-art workshop is equipped with the latest technologies, allowing us to control every step of the process in-house. We can handle a wide range of custom fabrication needs, including:

- Precision Cutting and Welding: We work with any type of metal to create intricate designs with flawless joins.
- Expert Polishing: We achieve a perfect finish, from high-gloss to a subtle matte.
- Specialized Finishing: We apply unique coatings and treatments to enhance the metal's appearance and durability.

Our custom-made products are recognized for their quality and craftsmanship and have been installed in high-profile projects across Europe, the UAE, and East Africa under the trusted brands Carraro and Decometal.

We specialize in the meticulous packing, handling, and shipping of custom-made, delicate, and often irreplaceable items.

Using heavy-duty, custom-built crates, we ensure the safe transport of our most sensitive materials, including large marble slabs, glass panels, and bespoke furniture. Our experienced team handles every piece with exceptional care during loading and unloading to prevent any damage, whether in local or international transit.

For bulky furniture or large-scale multi-story projects, we offer a flat-pack, fully dismantled service. This approach helps you save significantly on both logistics and customs tariffs.

To provide peace of mind, all materials are covered by comprehensive insurance from the production facility to the final installation site. Our real-time tracking systems also keep you in the loop with updates on every shipment.

To further protect sensitive products, all our transit warehouses in the UAE are temperature-controlled and dust-free.

# REFERENCES

These images offer just a glimpse into our completed projects, showcasing the **transformative power** of our materials and craftsmanship.

Since 25 years our dedication to client satisfaction has earned us a reputation as a trusted partner for projects with **uncompromising standards**.

Whether it's a grand villa, a boutique hotel, a corporate headquarters, or a bespoke shop, our meticulous work and high-quality products **elevate the space** to a new level of sophistication.
